Provisional Judge Report

One report for each trial you judge under supervision.

Send this in after the trial.

One report covers the whole event, however many days you judged. Fill it in, sign the certification at the end, and email it to forms@happyratters.com. Your host club and your supervising judge each send their own report on you directly — all three are part of your application.

YOUR PROGRESS

Provisional A is for judges who have already judged another dog sport or venue; Provisional B is for those who have not. Everything in this section is a running total across all your judging days — fill it in on every report.

Provisional A — minimum 4 full judging days, under a supervising or approved judge

Provisional B — minimum 5 full judging days, under a supervising judge only
